INSTRUCTIONS: Use this form to request a reconsideration (variance of technical requirements) of compliance with the photoluminescent exit path marking requirements of **LL 26 of 2004, 27-383(b)**, and **RS 6-1**. This form must be signed by an architect, engineer, the legal owner of record, or the owner's managing agent. In addition to the required signature, a contractor or installer may also sign in cases where such contactor or installer will be the person attending the reconsideration appointment.

- 1) Mail or fax an appointment request form (obtain Form ADM-62 from our website www.NYC.gov/buildings) to request an appointment to meet with the Technical Affairs Division. You are encouraged to include in your fax or letter a copy of this form, as well as your justifications (from item 5), because this will help expedite the processing of your request.
- 2) You will be contacted for a scheduled appointment. All appointments will be held at 280 Broadway, 7th fl., Manhattan.
- 3) You must bring this completed form and all supporting documents to your appointment.
- 4) If your reconsideration is approved, you must attach the original, and one copy, of this approved Form LL 26/04-2 (including all supporting documents) to your affidavit or report (Form LL 26/04-1). For details on how and where to file the affidavit or report, please refer to the [instruction on Form LL 26/04-1](#)
